# About this Duo webinars: a series on green NH3

- NH3 Event Europe and the Arab Fertilizer Association (AFA) join forces to host two digital events on the topic of green NH3 in the Arab world. Our aim of organizing these events is building knowledge and sharing information about green ammonia possibilities in the Arab World.
- We all know Arab world is producing a lot of fertilizers, but what about sustainability and possibilities of producing green fertilizers? Are there possibilities to make phosphates green? With these first duo of webinars, we would like to give the Arab world an insight on the possibilities for green NH3.
